Thank you Barbara from [Jet-seterra](#) for nominating us!

Here are the answer to your questions:

1. Why did you start blogging?

We wanted to share our travel stories with other people and inspire them to live just like us.

2. How many countries have you visited?

More than 30 countries on the world.

3. What's your favorite place in the World?

Thailand! We love coming back to this beautiful country :).

When we were in the [US](#) one guy said he will come back and kill us because we didn't want to give him money (probably for drugs). It was so scary!

We like the balance between adventures and relaxing.

7. What countries do you plan to visit this year?

[China](#) and Malaysia for sure. We also want to go to [Philippines](#), Iceland and maybe Hawaii?

8. What has been the most rewarding thing about blogging?

Emails and comments from our followers always make us happy.

9. What makes you different from other bloggers?

As far as we are concerned, we are the only bloggers- entrepreneurs. Not freelancers but business people. We have our own company separate from the blog.

[Thailand](#), [Poland](#), [United Kingdom](#).
